

Book/Material Donations — All Proceeds Benefit Our Library!

The Friends of the Morgan Hill Library (FMHL) welcomes **very good quality donations** which you would give proudly to a friend. Our all-volunteer Friends team will offer accepted items for sale at amazingly low prices. **Not all donations are accepted.** Donation receipts are available for accepted items.

Our limited space allows us to accept up to two (2) boxes or three (3) bags at this time.

- Books — current and “in demand” titles especially appreciated
- “Special” nonfiction and fiction — “old and rare”, first editions, out-of-print collectibles, must be in very good condition
- Usable textbooks and references — current editions ideal, will accept editions published within past 5 years, plus still usable Wiley technical titles independent of date
- CD audiobooks released within past 5 years
- Music CDs — all genres
- Blu-ray discs — less than 3 years old (no longer accepting DVDs)
- Complete jigsaw puzzles in original box

Some materials do not sell. We will not accept:

- Books in poor condition — dirty, moldy, damaged, incomplete
- Outdated reference books (no longer current, 5+ yrs old) — textbooks, almanacs, travel guides, etc.
- Open software
- Encyclopedias or Reader's Digest condensed books
- DVDS, cassette tapes, magazines, board games

Please inspect each of your items and dispose of, or recycle elsewhere, any materials that cannot be sold by the Friends. Note that books with paper covers may be placed in home recycling bins.
