### Friends Help at Art a la Carte

FMHL sponsored a booth at Art a la Carte on Saturday, April 30th. The annual event, hosted by Morgan Hill's Library, Culture and Arts Commission (LCAC), is designed to promote art and culture for children ages 2-10.

Friends **Murv and Judy Little, Arnavaz Wadia and Anabel Ellison** help the little ones with a craft activity.

Made from clothespins and craft sticks, these biplanes were crafted by the kids to illustrate the transportation theme.

# Volunteers Count

We are fortunate to have so many wonderful volunteers who give of their time and energy to work in the store, sort donations, stock, sell books on-line, handle money, and much more. We appreciate all that you do. But of course, we always can use more help as summer approaches and schedules change.

## Bookstore

CAN YOU HELP?

We need volunteers to work the following regular shifts:

### starting in July

2<sup>nd</sup> Saturday of each month 1-4:30 pm

4<sup>th</sup> Thurs. of each month, 4-5:30 pm

### starting in September

2<sup>nd</sup> Friday of each month 10 am-1 pm

4<sup>th</sup> Friday of each month 10 am-1 pm

If we have volunteers, we'd like to be open every Monday and Tuesday, 6-8 pm.

We also need cashiers for Thursday, July 24, both the 10 am-1 pm and 4-5:30 pm shifts.

If you can work one or two times a month, that would be great. If you can only be a sub, those are needed, too.

## Stock and Sort

We could also use a volunteer to stock shelves in the store and Bargain Books on Monday mornings and/or Saturday afternoons for 1-2 hours. Sorters are always needed, especially on Thursdays. Usual hours are 9:30-11:30 am but are flexible.

If you can fill any of these jobs, let me know. Your help makes our store run smoothly and earns money to support the library. And we have a good time, while we're at it!

## Membership Continues to Grow

The number of Friends of the Morgan Hill Library has steadily grown over the past 35 years. We welcome many new Friends and have seen many previous Friends join us again.

All proceeds generated by the Friends are funneled back to our library in the form of Book Collections, Silicon Valley Reads, summer book programs and much more. Community members can help the library by attending FMHL Book Sales, becoming a member and by patronizing the bookstore. In return, the Morgan Hill Library does an outstanding job to meet the needs of our community.

Annual membership fees are still \$10 for individuals, \$20 for families. Membership is open to all persons and includes a Discount Card and early admittance to Book Sales. Join the Friends to support your library at [www.friendsmhillibrary.org/](http://www.friendsmhillibrary.org/) or, stop by the Bookstore for a membership form.

## FMHL BOOK REVIEW

### ***The Storied Life of A.J. Fikry***

by Gabrielle Zevin

This is a novel for anyone who loves books, bookstores, and bookish people. A.J. Fikry is a cranky, depressed bookseller whose beloved wife has recently died; his store is struggling; and a rare book, his prized possession, has been stolen. Then a baby girl is left in his store and his life changes. He also develops an up-and-down relationship with a new publisher's rep. Chapter openings that are mini-reviews of classic titles are an added feature. It was a quick read, funny, entertaining, and charming.

## FMHL President's Message

### Art a la Carte

Once again we participated in Art a la Carte, a free crafts event for kids, which was a rousing success. Kids and volunteers had a great time. In addition to the airplane craft, we also provided about a hundred free children's books. Many thanks to **Valerie Chambliss** and our volunteers. A good time was had by all.

### Teacher Discount

At the last Board meeting, we voted to extend a 10% discount to teachers on ALL purchases in the bookstore. Please spread the word to any teachers you may know.

### Water-Wise Gardening

It looks like it may be a long hot summer this year. Please do what you can to conserve water. The library has had many talks by Master Gardeners on landscaping with native plants and water-wise gardening. The next presentation will be on June 23 at 7 pm in the program room. Come and learn tips for saving water. Our library has many interesting programs – see Peggy's article and check out the events calendar on the library's [website](#).

### Summer Book Sale

We have lots of books again for our next sale, including boxes and boxes of children's books. I hope you will join us on **June 28** for our summer Big Book Sale. Come early for the best selection. Remember, members can buy books an hour before the sale is open to the public.

If you haven't already renewed your membership in the Friends of the Library, please remember to do so.

Have a wonderful summer!

## FMHL Treasurer's Message

Sales at the Friends Bookstore and online have been down in the first four months of this year. However, the Big Sale in February and a Children's Book Sale in March have helped keep us close to the total income that we expected.

The Friends have paid for a number of activities to date: Chamber Music by the Bay, a presentation on Drought Resistant Plants, participation in Art a la Carte, and a celebration to mark the opening of the library on Mondays. In addition, we will be supporting several exciting summer programs, including the summer reading programs for kids and adults.

### Welcome New Library Staff

**Jeff Binschus** has joined the staff as our new Senior Clerk. Jeff has worked for the library district since 2001 as a page, clerk, and materials handler at the library's services and support center.

He loves to travel, and he and his wife have been to the UK, Italy, France, Mexico, and around the Caribbean. He also loves automobiles - whether it is wrenching, driving, racing or just reading about them. He comes from a family with a French background, so he loves fine dining with all its complexities. His wife is in nursing school studying to become a RN, and they have a 12 pound cockapoo.
