# Notes from the President

*Teresa Stephenson*, [tcstephenson@garlic.com](mailto:tcstephenson@garlic.com)

I would like to wish everyone a happy holiday and invite you to get in the spirit of the season by attending our meeting and enjoying the South Valley Symphony String Quartet. Let the music soothe away your shopping cares. Did I mention refreshments?

We have been working with the library staff, the city and Weston Miles Architects this past year on developing plans for the expansion of the library. We are hoping to begin construction by the tenth anniversary of the library in July 2017. There are some exciting changes in the works that will make our library bigger and better. We are looking forward to an expanded bookstore and sorting area which will improve our service and delight our volunteers.

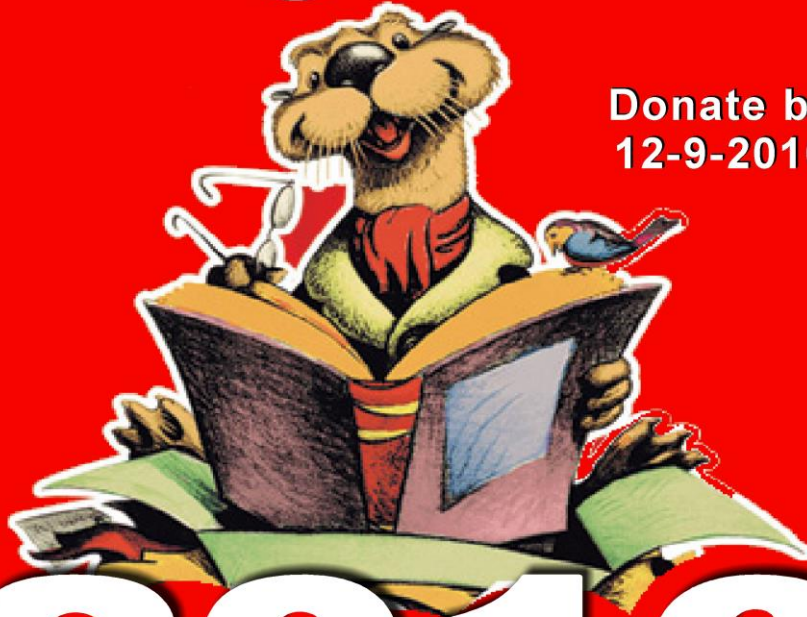

We are always looking for members who can volunteer some of their time and assist with our efforts to support the library. We are especially in need of someone to be the editor of our quarterly newsletter. If you have some spare time and would like to help out with this please send me an email. We would be delighted to have your help.

Don't forget to donate to the Gift of Reading. There are donation barrels in the library and at Booksmart. Local children will thank you.

Happy New Year!

Teresa
